

Based in Berlin, Plinga GmbH is Europe's largest publisher of 30 currently published games over 20 different social networks. Our 80 employees look after over 35 million active players in an ever-increasing market. We work together with well-known development studios in order to be able to offer a high-quality gaming experience. To support our team we are looking for a:

Game Integration Intern

What will you do?

- Support the planning and implementation of new features.
- Assist the continual improvement of the games.
- Work closely with the internal product managers and web designers as well as external developers and social networks.

What qualities do you have?

- You're completing some sort of technical vocational training or technical studies.
- You have good knowledge of PHP.
- You're aware of object-orientated programming languages such as Java or C++.
- You share in our passion for amusing games, both on- and offline.
- You're characterised by your ability to work well in a team, your ability to work well under pressure and your flexibility.
- You're reliable, diligent and independent in your work ethic.
- You can spend at least four months with us.

What can we offer you?

- Flat hierarchies and a large amount of individual responsibility.
- Flexible working hours, a pleasant working environment and an attractive salary.
- You will work in the most attractive area of the New Economy, at the forefront of games and social media.
- You will form part of a successful and rapidly-expanding start-up company in the heart of Berlin.
- You will be integrated in a dedicated international team.

We look forward to receiving your online application in German or English, which should include your CV, relevant certificates and the length of your availability for an internship!

Your Plinga Team!
