

Based in Berlin, Plinga GmbH is Europe's largest publisher of 30 currently published games over 20 different social networks. Our 80 employees look after over 35 million active players in an ever-increasing market. We work together with well-known development studios in order to be able to offer a high-quality gaming experience. To support our team we are looking for a:

Knowledge Management Dissertation

What will you do?

- Be responsible for the creation of the knowledge management area.
- Conduct analyses and implement knowledge processes.
- Daily tasks will include identifying, organising and preparing knowledge to support our colleagues from all areas.
- Take care of the development, implementation and presentation of methods of solution through content management, document management and groupware.

What qualities do you have?

- You're a student in business management or business computer science
- You have very good knowledge of English and German, both written and spoken.
- You work independently as well as showing great willingness to work.
- You have great initiative, diligence and reliability.
- You have very good knowledge of MS Office, ideally also of website layout (html, JavaScript) and database maintenance (SQL).

What can we offer you?

- Flat hierarchies and a large amount of individual responsibility.
- Flexible working hours, a pleasant working environment and an attractive salary.
- You will work in the most attractive area of the New Economy, at the forefront of games and social media.
- You will form part of a successful and rapidly-expanding start-up company in the heart of Berlin.
- You will be integrated in a dedicated international team.

We look forward to receiving your online application in German or English, which should include your CV, relevant certificates and the length of your availability for an internship!

Your Plinga Team!
