

Based in Berlin, Plinga GmbH is Europe's largest publisher of 30 currently published games over 20 different social networks. Our 80 employees look after over 35 million active players in an ever-increasing market. We work together with well-known development studios in order to be able to offer a high-quality gaming experience. To support our team we are looking for a:

System Administrator (f/m) for Linux

What will you do?

- independently monitor current systems.
- Continue developing existing structures
- Improve active operations

What qualities do you have?

- successfully completed your studies/formation in a technical field.
- Profound Unix/Linux skills (preferentially debian, CentOS).
- You have a sound knowledge of shell programming and the usual monitoring tools.
- Favorably had experience with virtualization and/or Cloud systems.

What can we offer you?

- Flat hierarchies and a large amount of individual responsibility.
- Flexible working hours, a pleasant working environment and an attractive salary.
- You will work in the most attractive area of the New Economy, at the forefront of games and social media.
- You will form part of a successful and rapidly-expanding start-up company in the heart of Berlin.
- You will be integrated in a dedicated international team.

We look forward to receiving your online application in German or English, which should include your CV, relevant certificates, earliest possible starting date and existing work samples!

Your Plinga Team!
